A YEAR AT THE ROCK

Sophomores Dan Wiffig and Anna Lefstein find that math classes also include learning how to use a computer.

Sharing a locker isn't as convenient as it may seem, finds Nesrin Ansary as she watches her friends sort out "who's who's".

Some students may feel this year only another year of lost books, broken lockers, smashed pop cans, pre-natal courses, missed deadlines, seven absences and lost credit; but to others this was the year of tennis championships, retrieved Mohawk awards, regained open-lunch, self-scheduling, new courses, a rebuilt basketball team, and an involved student senate. Growing school spirit during the 1974-1975 year made the community around us realize the "Rock" is filled to the top with concerned young adults. This year is "a year in which the new took precedent over the old and the urge to experiment came upon us. It is a year of excitement and a feeling of belonging." Harold Voyles, Principal

THE BEGINNING OF A NEW "ROCK"

Val Alvarenga, Rocky's guest from Brazil is all smiles about the American way of life — including English class!

Rocky has undergone a change. This is the year when we open our own doors and make our own decisions. We are no longer treated as an identification number or a part of the two-thousand and seventy-seven registered students. We have become individuals with responsibilities and heard opinions working with teachers and administrators on an open level.

The first place winner in Senate's "Holiday Door Decorating Contest" demonstrates a Santa that twirls a basketball on his finger, and his fire place that is fully equipped with sound effects.

**THIS ISN'T JUST
ANOTHER YEAR**

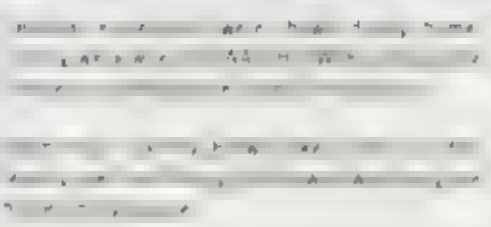

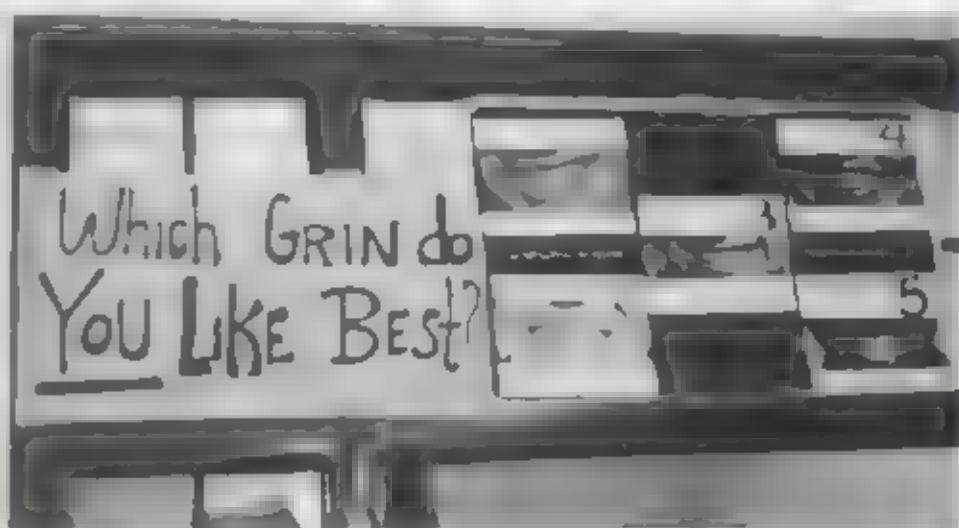

An Atmosphere of Personal Expression

Experiences and memories are made through new addition and changes. We live in an ever-changing world and at times an ever-changing home. Rejoice in the new work and new memories make new days come to life. Rejoice in the administration and informed involved parents and concerned students all work together for more progress. Let's have an early graduation and self-scheduling. Expression important to a good working relationship can be in the form of art, music, or drama. We can find our own place at the table.

After the work day is over, the students
must be happy and healthy.

This Isn't Just ANYONE'S Future

We are no longer just students at just any high school. We have created our own memories and made our own decisions. Some of us graduate early, some go on to school, some marry, but in the end we are the products of a new year, a new era. This is not just any year, it is a new beginning at the 'Rock' with many decisions to be made ranging from class ring styles to all our tomorrows.

Regular Registration Becomes Student Self-Scheduling

Registration is a time-consuming process for many students. The new self-scheduling system allows students to register for classes at their own convenience, reducing the wait time and the need for a registration officer.

During the evening the crowd watched as the cheerleaders destroyed an effigy of the Galesburg Silver Streaks in the traditional pre game bonfire. Thursday was the culmination of the many contests. Senate's banana eating contest took place during lunch ending in a tie between Marsten Bradley and Dave Bransner. The voting for the WATCHTOWER SENATE sponsored "Super Grin" contest was done during class periods, leaving the winner unknown to all until the Homecoming assembly.

Bill Osmundson, Royalty

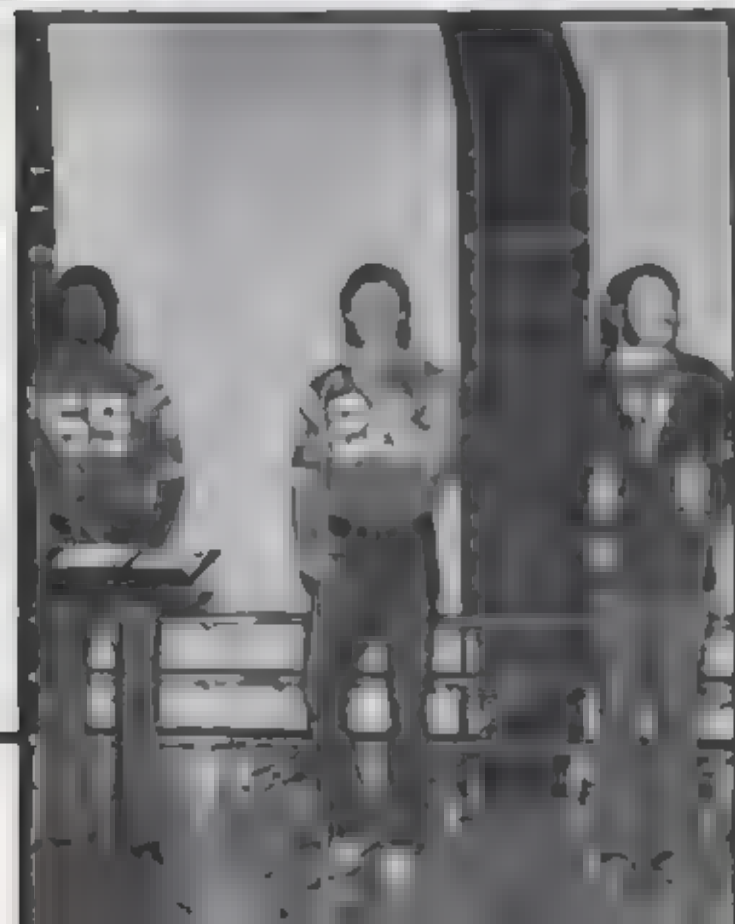

Homecoming 1974 was the one time when school spirit and school excitement reached the point of making the third week of October an extra memorable one for teachers and students alike. The Newly organized Senate sponsored such activities as a Volkswagen race across the football practice field, a banana eating contest, a tug-of-war, a car bash, and showings of "Fabulous Funnies".

Students try to demolish the car at the Car Bash.

Tammy, Ralph '74 Royalty

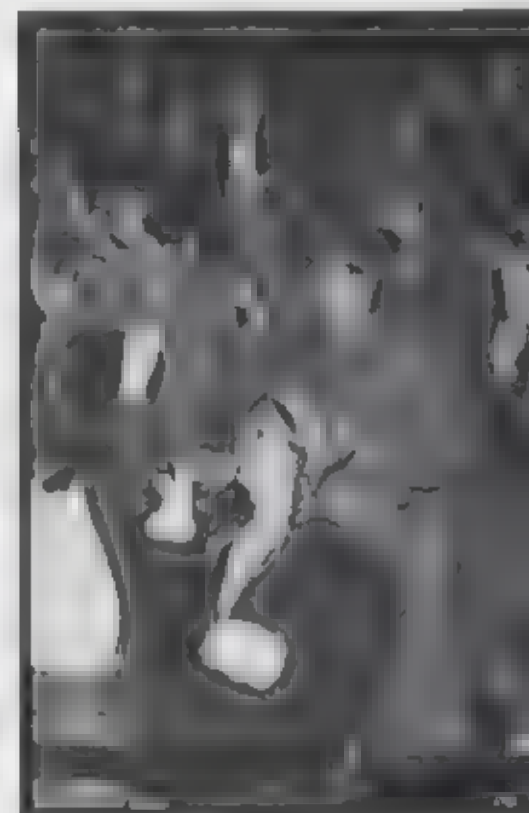

Homecoming Queen Tammy Davis and Ralph Beswick were crowned at the Homecoming Night. Tammy is captain of the cheerleaders.

A twenty-two year old high school senior by Donald Duck and his friends were the winners of the parade.

After the assembly, the annual Homecoming Parade followed on the traditional route through downtown Rock Island. Featured in the parade were Rock Island High School's first Homecoming Queen Marie Metcalf Gillette and the senior first place float, "Rock-On", a rocking horse starring well known cartoon characters. Although the Friday game was lost to the Silver Streaks, the pre game spirit was not. The Saturday dance ended the week of festivities with Ralph Beswick football captain, and Tammy Davis cheerleader crowned as the '74 Royalty.

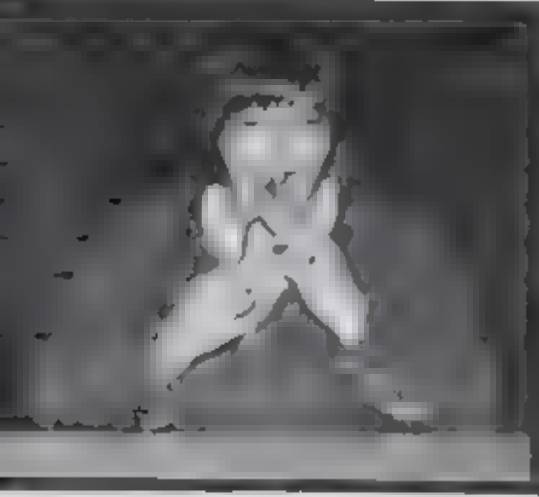

This year will not be remembered only by students and teachers, but also by the community as the one when school spirit and involvement was at the highest.

AFTERNOON ASSEMBLIES

This year's assemblies, sponsored primarily by the "Newly organized Senate", led to greater student interest and participation. Appealing to a variety of interests, the sixth period alternative included such features as the Iowa Repertory Ballet Company special awards assemblies, student school board members assemblies, pep assemblies with coaches and squads as the stars, and "The Hairy Falsetto" a drama club presentation of "Little Red Riding Hood." Since the assemblies were student planned and class alternatives, they appealed to the interest of the student audience.

1. H_2O is a polar molecule. It has a bent shape, with the oxygen atom at the vertex and the hydrogen atoms at the ends of the bonds. The oxygen atom is more electronegative than the hydrogen atoms, so it pulls the shared electrons closer to itself. This creates a partial negative charge on the oxygen atom and a partial positive charge on the hydrogen atoms. The resulting dipole moment is represented by a red arrow pointing from the hydrogen atoms to the oxygen atom.

A STUDENT'S LIFE IS CONCENTRATED

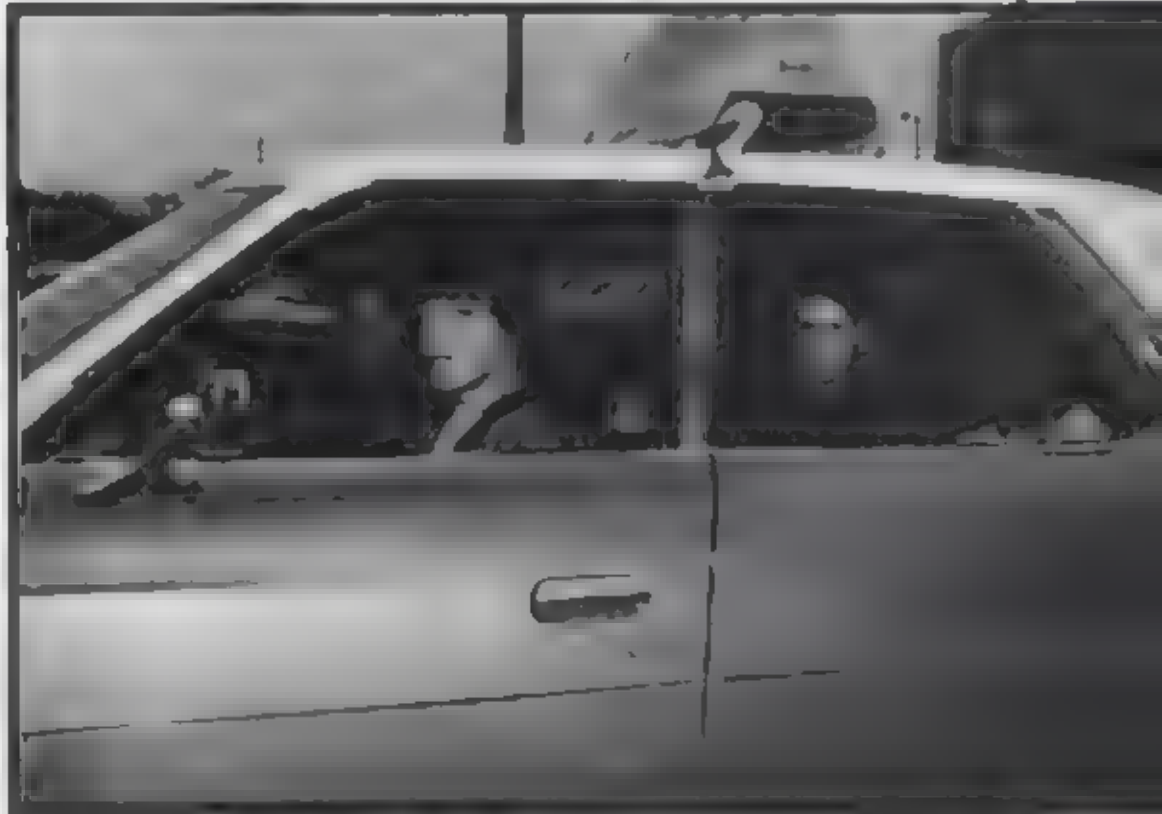

Concentrated is a state of mind that is highly focused on a single task or goal. It is a state of mind that is free from distractions and is fully engaged in the present moment. Concentration is a skill that can be developed through practice and is essential for success in many areas of life.

A student may have many distractions, but if they are able to concentrate, they can achieve their goals. Concentration is a key to success in school and in life.

RESPONSIBILITY STIRS STUDENT INTEREST

Changes and new additions happened in areas outside the class room. The marching band added a flag drill team to perform at outside events. More student designed murals appeared on the hall walls on all floors. The Christmas Holiday Season was celebrated by all with door decorations and Christmas trees. Bigger and better memories are built from a school with up dated policies and active community minded students.

Ralph Beswick and Ken Lee find out that this was not the best place to meet.

"It's a funny thing about the game of football," says Mr. Gary Minster, the athletic trainer at Rock Island speaking on the past season, "The best teams have the worst luck!" The preceding statement might just be the best way to describe Rock Island's 1974 Football Team. In this, the first year of the N.S.A. post season playoffs, Head

Coch Gary Embretson guided the Rocks to a 5-4 record which earned them second place in the Western Big 6 Conference and second place in the Quad-City Metro Conference. The sad part about the season was the three heart-breaking losses the Rocks suffered costing them two league championships and a play-off berth.

What's the Call?—PAYDIRT!

The Rocks lost 7-6 to Davenport West when a fumble inside the five-yard line stopped a possible winning or tying score in the closing minutes of the game. They dropped a 15-14 decision to Galesburg during the '74 Homecoming game because of a failure to score from the two-yard line. They failed to score in a first and goal situation against Quincy that would have put them ahead with six minutes to go. The Rocks firmly defeated Moline to reclaim the Tomahawk Award. The Rocks finished the season with five big conference wins.

1974 Award winners for the Rocks this year were: Tri-Captains, Willie Hurd, Ralph Beswick, and Bart Bonsall; Best Blockers, Ralph Beswick and Willie Hurd; Best Team Man, Bart Bonsall; Best Defensive Player, Greg Lannon; Most Improved, Joe De Gester; Most Valuable, Mike Simmons; 1975 Tri-Captains, Joe Schissel, Robert Johnson, and John Foley. The "Hang Tough" Award went to Jim Edwards.

SOPHOMORE FOOTBALL

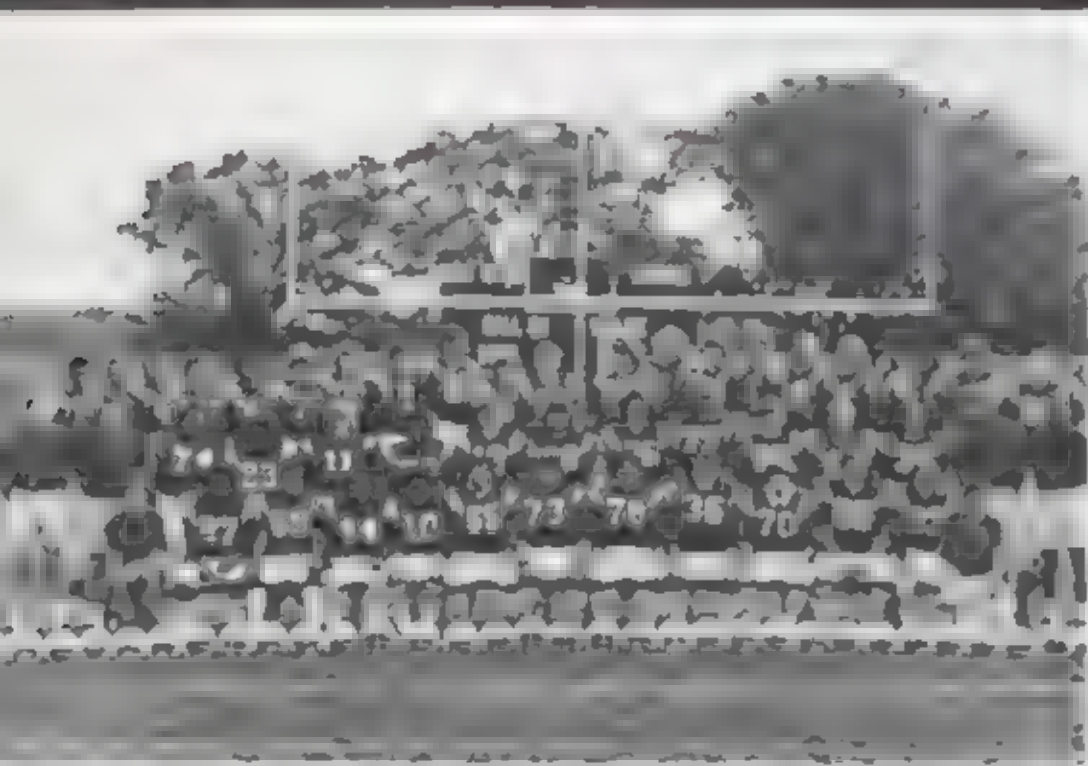

Coach Hugh Johnson and his assistants Sam McCann, Lew Miskewicz, and Tim Westerberg described themselves as being "pleasantly surprised" after the Rock Island Pebbles Squad ended their 1974 season with an record of 7 wins and 2 losses. The Pebbles finished their season tied with East Moline for first in the Western Big 6 Conference and were second only to Assumption in the Quad-City Metro Conference.

After being strong with victories over Glenbard West and Alleman, the Pebbles dropped a close decision to Assumption in their third game. Coming back strong, the Pebbles rolled up four consecutive victories over Moline, Davenport West, East Moline, and Galesburg before falling victims to Quincy. As all good Little Pebbles do, they finished strong with a firm victory over Davenport Central.

Award winners for the Pebbles this year: Best Offensive Lineman, Scott Allen; Best Offensive Back, Don Douglas; Best Defensive Lineman, Abe Jones; Best Defensive Back, Tony Scott; Bandit Award, Eddie Martinez; Most Improved, Mark Abbott; Co-Captains, Tony Scott and Scott Allen; Most Valuable Player, Tony Scott; and "Mr. Little Rock," Tony Scott.

This year's Rocky varsity basketball team was as different from the teams of the last few years as it could possibly be. Under new coaches as Jerry Leggett and Wilbur Vandebo, our players were smiling, grateful, disciplined, and HUMBLE. The successful season marked a return to fastbreak basketball played before packed gyms and a revival of student and community interest. Our team played an integral part in the return of Rocky High to the state of a harmonious, happy school.

The team combined the talents of several outstanding senior players with the enthusiasm of some young improving juniors. Seniors who contributed greatly were George Garteles, Tony Patrick, William Turner, Marty Bee, and Marty Strickler. Making their mark as juniors were John Foley, Kirk Lawson, Dave Plaisance, Mark Wisa, Paul Osborn, and Tom Murrens. Earning post-season honors were George Garteles and Tony Patrick as outstanding team members.

In post-season state play, the super "Rocks" continued their winning style by capturing the Class AA Regional title in a come-back game against the Altman Pioneers. This was the first regional win for the "Rocks" since 1988. As they moved to sectional competition, the team fell in the first sectional game with a one-point loss to Sterling.

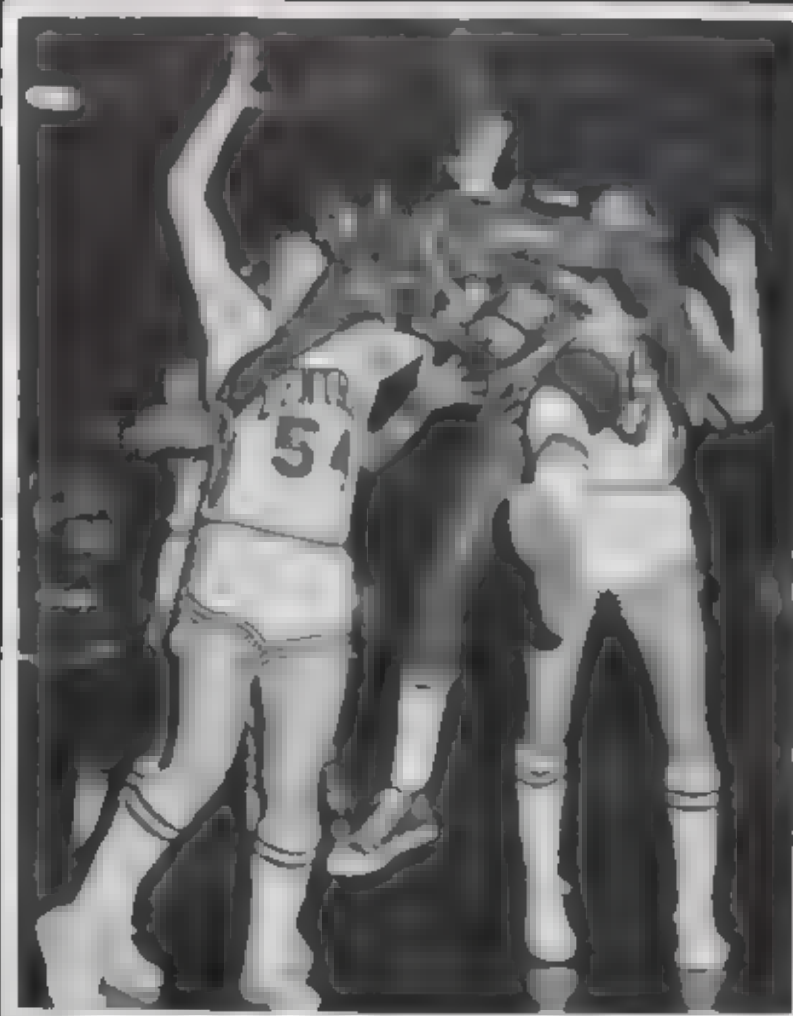

From the star coaching direction to the dedication of all the team members, the whole community knew that we were "No. 1." Other honors that came with the winning season included the "Rocks" domination on the Quad City Metro Conference basketball team. With the Quad-City sports writers unanimous selection, George Carleton was featured as first starter for the first team and Coach Jerry Leggett was unanimously chosen as "Coach of the Year." Other Rocky conference team members were Tony Patrick, first team back-courter, and William Turner, second team front-courter.

In the minds of all "Rock" fans, the whole team deserved top honors for bringing the feel of success to RMC. From the past year's humiliating season, the battling "Rocks" worked as a unit team to revolution school spirit through their dedication to playing the game right.

*East Moline Christmas Tournament

The 1974-1975 Sophomore basketball season showed few wins but much improvement through experience. The Pebbles displayed a winning amount of confidence, pride and willingness to compete which keeps them from being classified as losers. Capturing third place in the East Moline Sophomore Christmas Tournament, the team won the only trophy earned by all the Quad Cities schools. Under the coaching direction of Head coach Peter Hyman and assistant coach Gary Bender, the Pebbles developed court techniques along with good sportsmanship.

The Rock Island Volleyball Team finished their winter season with seven wins and three losses. During the December Rock Island Double Elimination Invitational Tournament the girls varsity team swept the courts, with five wins and one loss, taking first place. Winding up the second season of girls volleyball, Rock Island ended with a win beating teams from Riverdale, Alado, and Winola. Moving on to Sectional play with high expectations, the girls lost their first match to Rockfall.

Under Coach Emma Trachwell, "Rocky" starters included Jane Mortz, Sheri Brown, Krista Lawhorn, Sandy Bingham, Julia Kovacs, and Laura Beckman. Top reserves for the "Racks" were Bonnie Pieper, and Liz Wheelan. "Coach Trachwell declined to point to any one player as being outstanding. They all do their job, she said. ROCKS Float Too

Finally improved swimmers gave their team the final push with a season record of 8-4. All the teams came to the state capital waters of Rock Island and Mt. Carmel. A perfect 3-0 district record earned the Rocks the district title and a return trip to the State Tournament. The top guys at State Tournament level was the 7-0 overtime loss to the greatest State swimmer-up Graham Rice. Besides the district title, Vince Acherson and Mike Dingeldien were chosen to join the All-State Water Polo Team because of their outstanding sportsmanship and playing ability. Coach Fred Friedrichson felt that the dynasty water polo power and their goal now is to become the perennial Illinois Water Polo Champions.

The Rock Island "Dolphins" finished a winning season with eleven dual wins and only three losses. Capturing third at the Rock Island Relays and the Rockford Relays, the team emerged as a group of successful, outstanding swimmers. At district level competition, the "Rocks" emerged as real winners! Mark Beal captured first in 100 with a time of 2:25.5, Mike Dingeldien took third while Rob Cowan was fifth in the 50 yd. free. Rich Matt placed first and Lane Kessler placed second in the diving competition. The Relay Team of Acherson, Beal, Cowan, and Dingeldien swam second in the 400 yd. free relay with a time of 3:26.8. The major relay contributor was Vince Acherson who swam in the 200 yd. free with a time of 1:44.8. Honored at an induction ceremony each member received the honor a yellow rose and a pin signifying their achievements. As a new addition the juniors and sophomores were allowed to become provisional members of the National Honor Society. They do not receive official membership until their senior year. The possibility of becoming a member of the underclassmen not only to earn good grades but to also maintain them.

Combining Macbeth, Moby Dick, Lord of the Flies, with theorems, integrals, trigonometry values, experiments, dissections, lectures, languages, labs and translations produced the new Honors and High Honors organizations at the Rock. Replacing the traditional top ten, the 14 members of the High Honors achieved and maintained a 4.0 grade point or higher throughout their four high school years. With the continuation of the weighted accelerated system hours of homework did not keep this student from enjoying and also excelling in extra curricular activities, athletics, music and dramatics.

This year's Senate has taken on a new look. Meeting as a credit course at 8 a.m. everyday, the 48 senators elected in the spring, planned and executed various activities to promote school spirit. The 16 sophomore senators, 16 junior senators and 13 senior senators with the three members of the executive board dealt with school problems from planning Friday assemblies to saving open lunch. During Homecoming week Senate sponsored a Banana eating Contest, a Volkswagen Race, a Car Bash, the Annual Parade and dance. The halls were decorated throughout the year with seasonal posters and ribbons to create a warmer atmosphere. Concerned with school problems, the senate acquired a first floor office to meet directly with the students to listen and discuss problems. The Junior Senior Prom, a sophomore mixer and commencement exercises were all senate projects again this year. Senate succeeded in reviving an almost lost school spirit. The warmth generated by students for participating in dances, assemblies and games was felt by all from the administration, teachers and students to the people in the community.

The "Rocks" American Field Services student this year came from Brazil. Valeria Alveranga, a native of Santo, adjusted quickly to the United States. Rock Island High School and Kris Peterson, her American sister, Susie Johnston, was the summer AFS representative from Rocky. Susie spent her summer studying in the capital of Perth, Australia. In February, AFS sponsored an AFS weekend where all area exchange students stayed in homes other than their American family's home. Other exciting yearly activities included a Christmas card sale and an American bike hike.

Six "Rock" students traveled abroad with the People to People American Ambassadors in the summer of 1974. Jane Ulman, Laurie Danielson, Sheri Tadock, Diane Coster, Kevin M. Guire, and Liz Wheelan saw Holland, England, France, Italy, Greece, Turkey, Yugoslavia, and Austria. Staying in Beverwijk, Holland, and near Portsmouth, England, Athens, Greece, and Krems, Austria, the group along with 25 other students and three teacher-leaders gained much knowledge of foreign country's geography, cultures, and customs.

Comedy and tragedy combined with industrious creative students and new director John Hires gave Drama Club members new inspiration and a new love for the stage. Meeting twice a month, Drama Club held monthly parties and holiday gatherings. The club began the year with the stage presentation of "Harvey" starring Gwynne Stetson, Paul Osborn, Mort Shailman, and Melisa Motzen. In November the club presented an all school assembly based on the trial of the wolf from "Little Red Riding Hood." The February production was "Dark of the Moon," a folk legend set in the hills starring Julie Barker and Lee Blackman. Besides acting, Drama Club constructed all the sets and arranged all the lighting for the school productions including the year's musical, "A Trip to Chicago," Drama Club T-shirts, and the annual "Rock Academy Awards" dinner completed the year for Rocky performers.

"How are you, my friend?" This is a favorite saying of members of both Pan Am League and French Club. Pan Am League and French Club help increase student knowledge of foreign countries—customs, food and language. Interested in Spanish customs, Pan Am was entertained by Mexican guitar players and club members participated in the International Food Festival held at the YWCA and also attended a Spanish Mass. The annual Christmas party was held at Tortilla Flats. French Club spent much of their time learning about French culture. Members held a progressive dinner during the holidays dining on complete French cuisine. The club officers kept busy planning a train trip to Chicago to visit places of French interest. Both clubs succeeded in promoting interest of other students.

Young Republicans worked toward promoting Republican ideals and informing fellow students of the Republican ticket. Under the leadership of officers Tim Burke, Jim Neifing, Brad Ellis, Jim Kiser, and Kirk Lawson, the club surveyed a precinct, handed out campaign literature, and worked on election day in polling places. Afterwards, they attended victory parties where they spoke with winner Tom Rainsback and had their picture taken with winner Ben Polk.

Members of German Club are Tom Love, Ben Doeckel, Amy Stone, Elen Eliason, Susie Anderson, Monica Ouil, Vick Doeckel, Kristin Peterson, Sharon Goetzpoh, and Natalie Meyer. SECOND ROW: Jamie Engman, Scott Fredrickson, Rick Koch, Paul Osborn, Geoffrey Wiese, Ann Knittle, and Karen Egeberg.

Speaking of the ROCK

The Debate Team devoted their year to the research of topics and the organization of ideas, techniques, and logic. Most competition was done in the local area in preparation for sectional competition. The topic of the year dealt with the method of selecting Presidential and Vice Presidential candidates. Organization of ideas and inter team practices kept the interested debaters very busy.

As a new addition, The Speech Team under the coaching direction of John Hires, worked long hours to achieve excellence this year. Practicing on Saturdays and holidays, the team won a first place trophy at the Northwestern Illinois Interscholastic Forensics Conference Tournament. Individual team members took first places in individual events at other interscholastic tournaments. Traveling to tournaments held in the State, the team completed the season by winning first in Reader's Theater and Individual Events and second in the Contest Play at the district meet held at Moline. Moving on to Sectionals, the Contest Play cast of Dave Saelens, Gwynne Stetson, Laura Beckmann, and Sue Bruck took third place in the March Peoria Tournament. Mort Sherman, a sophomore, went to State competition with his humorous interpretation after taking winning places in district and sectional competition. Outstanding "speechers" were Gwen Stetson, Jim Resch, Grace Diaz, Jodi Murrens, Dave Murdy, Dino Milani, Scott Dohereiner, Sue Bruck, and Norm Carver.

Members of the Debate Team are: ROW 1: David Jensen, Jim Nefing, Brad Ellis, and Melisa Moltzer. ROW 2: Nancy Young, Jim Hiser, and Lisa Branch. ROW 3: Nick Churekas, Tom Strauss, and Tom I.

Mr. Armstrong emphasizes a point of debate practice.

Excellent in various ways, the Rock Lettermen ushered at and helped promote school spirit and pride. Displaying their earned awards and letters, these men helped announce the through the traditional Rock and gold letter sweaters worn some days. Not only did they help at games but they succeeded through their excellence in their chosen sport in the student spirit.

The "Crimson Tide" established at the beginning of the 74-75 basketball season consisted of the girls and boys Pep Club and the Section. As a unified hard working group, the Tide promoted school spirit in all sports in new and fresh way. The Tide introduced two new traditions to the basketball fans during the season. The waving of crimson handkerchiefs following all good plays and the new tradition of remaining seated when the rocks score two points have been adopted. The Rock Lettermen Tide, with their new flag worked to build integrity and spirit among the fans which in turn increased the players spirit.

Practices began early and usually ended late as the girls strove to produce a faultless show. This year's theme became "Life Under the Sea" featuring sea life animals ranging from sunfish to flying fish, from whales to octopus and from eels to sailors. Mr. Ackerson and Mr. Knapp helped to add the professional touch to the March Dolphinette Show.

Printed at the "Rock," the "Award Winning" Crimson Crier served to keep a students informed of happenings at the "Rock." With accurate reporting and observant student staffers, the Crier reported both the good and bad aspects of the 1974-1975 year. Covering the latest events, the Crier also included such things as editorials, community articles, and freshmen happenings. Working for high levels of excellence, both semester's staffs gathered only the true story to publish the happenings — not the opinions.

LONG HOURS CALL FOR 'ROCK' MEMBERS

A yearbook is created to make high school memories last. Placing a whole year between two covers seems to be an impossibility in the beginning of the year. By the end of the year a scrapbook of unforgettable happenings has been created. In an 8 a.m. class ideas are presented, thrown out, and remade even before some students enter the "Rock." Working and writing till 2 a.m., meeting and missing deadlines, yelling and crying, all are important ingredients of the annual that captures the lives of everyone during an extra-special school year. Working with both the good and the bad, the Watchtower staff depicts "the Year" as it was — a lasting possession to all who appear on its pages.

Yearbook members launch the Homecoming Edition.

Looks as if Beth Graham and Penny Staley are taking some time off from the busy day.

“Singing in the ‘Rock’”

Meeting daily under the direction of Murray Osborn, Senior Glee Club members found enjoyment and enrichment in singing in and out of the classroom. Hardwork, determination, and practice developed excellence and quality in the voices heard throughout the "Rock." This year the Glee Club sang in the Homecoming Parade, held a November Pops Concert and two choral concerts, recorded a half hour program for WOC that was aired during the holidays, held a "Music In Our Schools Day," staged "Once Upon A Mattress," participated in a city wide music festival and returned to sing at Six Flags Over Mid America in St. Louis. Senior Glee won a first division rating in Six Flags at the Spring '74 festival. Glee members made the year a memorable one through their love and enthusiasm for music.

We Can Make

Beautiful Music

Rocky's Chamber Music has been a source of excellence in the music program for many years. The many excellent programs they have presented to the community and the school this year.

Excellence in singing is found everywhere in Rocky's Chamber Music. For the past year, their music for special occasions and the choir consists of only a select few.

Members of the choir qualified for A State Chorus. They are Paul Osborn, Jim Kiser, Calhey Harrell and Denise Henze.

A Barbershop Quartet was formed to help provide a variance to the traditional English Chamber Music. Members of the Quartet are Juniors Paul Osborn and Kirk Lawson and Seniors Jim Kiser and Keith Anderson. Presenting concerts at school and in the community give the choir a way to express their love for music in their own way.

Members of Chamber Choir are: Liz Wheelan, June Barker, Tami Ward, Cathy Barker, Kristin Peterson, Landee French, Calhey Harrell and Denise Henze.

SECOND ROW: Keith Anderson, David Meredith, Jim Kiser, Jay Wilhelm, Kirk Lawson, Brad Ellis and Randy Aulken.

The Rock Island High School Marching Band

Janet Viernow, Nancy Molz, Vanessa Haynes along with head twirlers Landee Frank and Carol Clark added that "something extra" to the games and parades of this year.

Bach at the "Rock"

The Rock Island Senior High School Orchestra, under the direction of Jerome Hart, provided many music concerts during the school year. This year's concerts marked the first time that the junior high orchestras practiced and performed with the senior orchestra. Students spent long hours delving into material ranging from "Bach" classical to "Rock" modern to increase their musical background, experience, and knowledge.

Mark Jackson, Rocky's own "Boogie Woogie Bugle Boy" takes a few pointers from Mr. Hart.

Extended Campus Health Occupations, Health Occupations, and Office Occupations are organizations that give students experience with on the job training. The members of ECHO stay in the classroom for films and lectures in preparations for employment in health centers as HO students. Members of OO work toward the chosen career as typists or receptionists in various local offices. While earning salaries, members of these organizations are also gaining experience and developing a feeling of self importance.

Many students in their daily class schedule combine hard work with school books to broaden their education. The Distributive Education Classes and Cooperative Work Training Programs are busy with both jobs and school work. This year the DE classes sold candy and made T-shirts to their fellow students. Sitting in classes to view movies, listening to lectures, and reading assigned material prepares these students with enough knowledge to mix their school work with their job successfully. This year these students were employed in a variety of places such as grocery stores, clothing outlets, and restaurants.

THE "ROCK"
FIRST AND ALWAYS

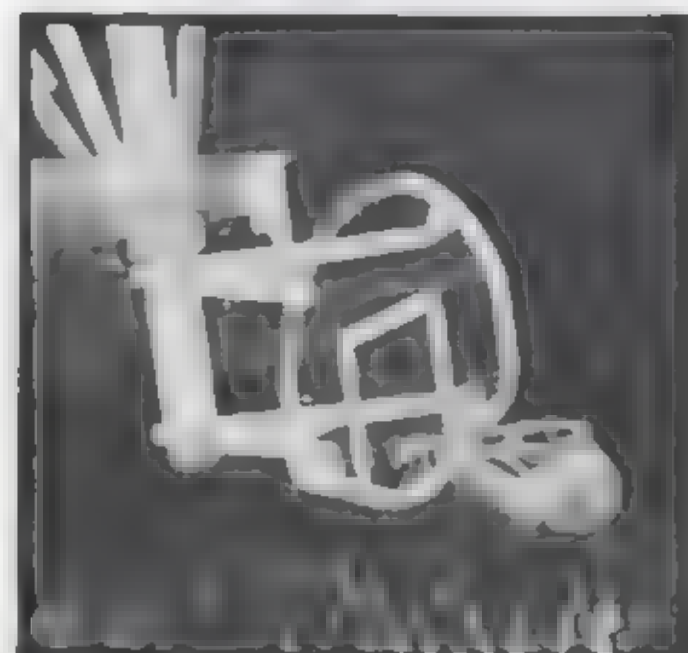

After an exhilarating week of a weekend
 festival and home day back at school.

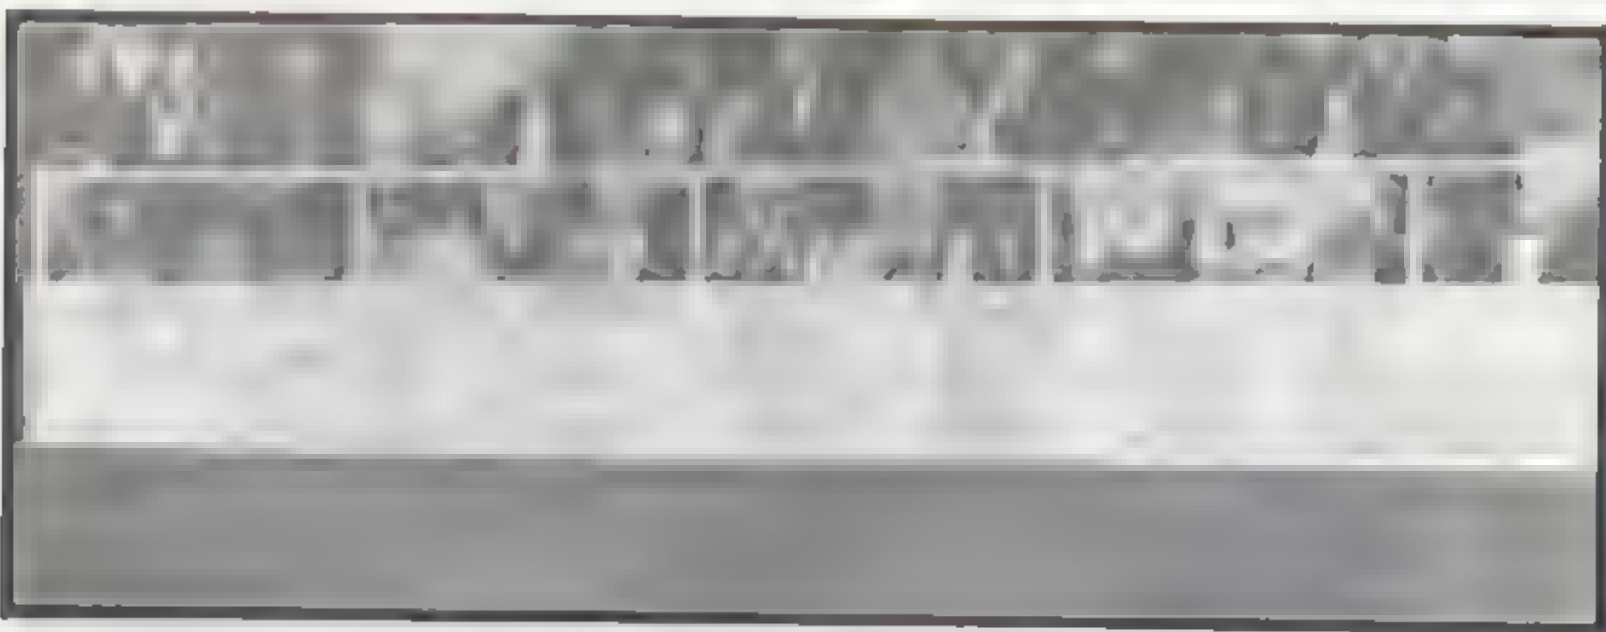

Each night after the home day
 members worked out in the gym.

THE "ROCK" IS EVERYTHING

A 1984 W. K. P. team member Marjorie
 Anderson is shown in the photo.

The end of this school year has proven many things. The dream of being recognized as an important part of the community was finally realized. From first place speech team wins to a new weightlifting association, we have proven ourselves mature enough to participate in the world around us. From Sweetheart Swirl to the Presidential Classroom and National Honor Society, we have been able to live together as one unit — sharing and helping each other to succeed. Yes, this was the year for growth at the "Rock," growth in the community, and growth in us as individuals. This is only the beginning of a wonderful relationship that is filled with promise and hope for all.

The profits from weekly basketball raffles paid for the Booster club's project of painting the field house bright red and yellow. Each week, matching signs were made to boost the Rocks.

Liz Wheeler and Ted Grevas admire the fountain at Sweet.

THE "ROCK" ISN'T JUST ANY SCHOOL

As we close the cover of "The Year" at the "Rock the World of the ALMA MATER" express what a year should feel about this year.

By the mighty Mississippi on a rocky
shore
Stand the school we love so dearly
Now and ever more

A ma Mater A ma Mater
We thy chi dren as of old
Sing thy praise in song unending, to the
Crimson and the Gold

Tho' the future years may part us
Still together now
Faith and love to old Rock is and
Ever more we vow

Alma Mater Alma Mater
We thy children as of old
Sing the praise song unending to the
Ersmson and the Good

The memories of the year are fresh and new now: memories we have created for ourselves at the 'Rock' will last forever more.

A Regional Basketball Champion!
